I. BIOGRAPHICAL DATA

Education

- 1994 University of California, Berkeley. Ph.D. in Geography.

 Dissertation: "Diseases on the Margin: Morphologies of Tuberculosis and Smallpox in San Francisco, 1860 - 1935". Directed by Michael Watts (Professor, Department of Geography, University of California at Berkeley).

 Fields: Social Geography and Political Ecology of Health; Women's Health in Historical and Geographical Perspective; the U.S., Eastern Africa, India.
- 1989 University of California, Berkeley. M.A. in Geography.
 Thesis Title: "Rethinking Medical Geography: The Case of Women's Higher Morbidity and Mortality Rates in India". Directed by Michael Watts (Geography).
- 1983 Wellesely College: B.A. in Comparative Religion, *cum laud.*

Employment

- 2010 Professor, Department of Gender, Women, and Sexuality Studies and the Institute for Global Studies, University of Minnesota
- 2006 -2010 Chair, Department of Gender, Women, and Sexuality Studies, University of Minnesota
- 2003 - 2010 Associate Professor, Department of Women's Studies and Institute for Global Studies, University of Minnesota
- 2001-2003 Assistant Professor, Department of Women's Studies and Institute for Global Studies, University of Minnesota
- 1995-2001 Assistant Professor, Departments of Women's Studies and Geography and Regional Development, University of Arizona.
- 1994-1995 Visiting Assistant Professor, Department of Geography, Colgate University.

Affiliate/Associate Status

- 2013 Minnesota Center for the Philosophy of Science

2009 Center for Bioethics
 2007 Department of American Studies
 2002 Department of Geography
 2002 Interdisciplinary Center for the Study of Global Change

II. SCHOLARSHIP

Scholarly Books and Journal Special Issues

Under review *Compound Solutions: Pharmaceutical Alternatives for Global Health.*

- 2015 One World One Health? Social Science Engagement with the One Health Agenda. *Social Science and Medicine* Vol. 129, Special Issue co-edited with Steve Hinchliffe.
- 2010 *Influenza and Public Health: Learning from Past Pandemics*, co-edited with Tamara Giles-Vernick, Taylor and Francis.
- 2006 Epidemics, History, and the Present, Special Issue of *Historical Geography*, Volume 34; co-edited with Jennifer Gunn.
- 2004 *HIV and AIDS in Africa: Beyond Epidemiology*, Blackwell, co-edited with Ezekiel Kalipeni, Joseph Oppong, and Jayati Ghosh.
- 2001a Nationbuilding: Gender, Race, and Medical Discourse, special issue of *Journal of Historical Geography* 27, 4; coedited with Michael Dorn.
- 2000a *City of Plagues: Disease, Poverty, and Deviance in San Francisco*, University of Minnesota Press.

Journal articles

- 2015 Partner notification in the context of HIV: an interest analysis, coauthored with Amos Laar and Debra DeBruin. *AIDS Therapy and Research* 12:15.
- 2015 Precarious connections: making therapeutic development happen for malaria and tuberculosis. Special Issue on One World One Health? Social Science Engagement with the One Health Agenda, *Social Science and Medicine* 129:36-43.
- 2015 Introduction, Special Issue on One World One Health? Social Science Engagement with the One Health Agenda, coauthored with Steve Hinchliffe. *Social Science and Medicine* 129:1-4.
- 2014 Precarious connections: making therapeutic development happen for malaria and tuberculosis. *Social Science and Medicine* online version published 17 July.
- 2013 Aid for Whom? Distance Caring and Corporate Practices. Special Issue on Brand Aid and the International Political Economy and Sociology of North-South Relations, co-editors Stefan Ponte and Lisa Richey, *International Political Sociology Forum*, 1, 7:98-101.
- 2012 Critical interventions in global health geographies: Governmentality, risk, and assemblage, coauthored with Tim Brown and Alan Ingram. Special Issue on

- Geographies of Health, ed. Mei Po Kwan; *Annals of the Association of American Geographers*: 102,5:1182-1189.
- 2012 Drug partnerships and global practices. Special Issue on Local-Global Dimensions of HIV/AIDS Care in Low-Income Settings, co-editors Catherine Campbell, Flora Cornish, and Morten Skovdal, *Health and Place* 18 (3): 481-489.
- 2007a Market Incentives, Human Lives, and AIDS Vaccines, Special Issue on AIDS in Africa, *Social Science and Medicine* 64,5:1042-1056.
- 2007b Community Engagement: Leadership Tool for Catastrophic Health Events. Working Group on Citizen Engagement, *Biosecurity and Bioterrorism* March. (Member of working group).
- 2006 Introduction, Epidemics, History, and the Present, *Historical Geography*, Volume 34. coauthored with Jennifer Gunn.
- 2001b Introduction, Nationbuilding: Gender, Race, and Medical Discourse, *Journal of Historical Geography*, 27,4, coauthored with Michael Dorn.
- 2001c Engendered/Endangered: Women, Tuberculosis, and the Project of Nationhood, *Journal of Historical Geography* 27,4.
- 2000b Disease, social identity, and risk: Rethinking the geography of AIDS, *Transactions of the Institute of British Geographers*, 25:153-168.
- 1999 Embodying place: Pathologizing Chinese and Chinatown in Nineteenth Century San Francisco, *Antipode*, 31, 4:372-397.
- 1998 Tuberculosis, tenements and the epistemology of neglect: San Francisco in the nineteenth century, *Ecumene* 5, 1:53-80.
- 1996 AIDS in Malawi: A critical analysis of transmission and prevention, *Journal of African Rural and Urban Studies*, 3, 2:35-67.
- 1995 Sewers and Scapegoats: Spatial Metaphors of Smallpox in 19th Century San Francisco, *Social Science and Medicine*, 41, 7:957-968.
- Book Chapters
- 2016 Technology's traces: capacity building through drug and vaccine development. In Clare Herrick and David Reubi, Eds., *Global Health Geographies*, Routledge Press.
- 2010a Introduction, coauthored with Tamara Giles-Vernick, in *Influenza and Public Health: Learning from Past Pandemics*, Tamara Giles-Vernick and Susan Craddock, Eds., Earthscan Press.
- 2010b Conclusion, coauthored with Tamara Giles-Vernick, in *Influenza and Public Health: Learning from Past Pandemics*, Tamara Giles-Vernick and Susan Craddock, Eds., Earthscan Press.

- 2010c Mobility restrictions, isolation, and quarantine: Historical perspectives on contemporary debates, coauthored with Tamara Giles-Vernick and Jennifer Gunn, in *Influenza and Public Health: Learning from Past Pandemics*, Tamara Giles-Vernick and Susan Craddock, Eds, Earthscan Press.
- 2010d Private Cures for a Public Epidemic: Target(ing) HIV and AIDS Medications in the Twin Cities, coauthored with Alex Urquhart, in Kevin Murphy and the Oral History Project, Eds., *Queer Histories of the Twin Cities*, University of Minnesota Press. Invited. *
- 2010e Representing the Un/healthy Body, coauthored with Tim Brown, in *The Companion to Health and Medical Geography*, Tim Brown, Sara McLafferty, and Graham Moon, Eds. Blackwell Press. Invited.*
- 2010f The Politics of HIV/ AIDS in Africa, in Peyi Soyinka-Airewele and Rita Kiki Edozie, Eds., *Reframing Contemporary Africa: Politics, Economics, and Society in a Global Era*, CQ Press, Washington, D.C. Invited.
- 2009 Restriction de la liberté de mouvement, isolation et quarantaine: perspectives historiques sur les débats actuels, coauthored with Tamara Giles-Vernick and Jennifer Gunn, in *Pandémie Grippale: L'ordre de mobilization*, Sous la direction de Emmanuel Hirsch, Editions du Cerf, Paris, 2009. Invited.
- 2008a Tuberculosis and the Anxieties of Containment, in Harris Ali and Roger Keil, Eds., *Networked Disease: Emerging Infections in the Global City*, Blackwell Press, Series on Studies in Urban Change. Invited.*
- 2008b AIDS and the Politics of Violence, in Cynthia Pope, Renee White, and Ed Malow, Eds., *HIV/AIDS: Global Frontiers in Prevention/ Intervention*, Routledge Press. Release date July 2008. Invited.
- 2004b Introduction: Locating AIDS in Africa, in *HIV and AIDS in Africa: Beyond Epidemiology*, Ezekiel Kalipeni, Susan Craddock, Joseph Oppong, and Jayati Ghosh, Eds., Blackwell Press.
- 2004c AIDS and Ethics: Clinical Trials, Pharmaceuticals, and Global Scientific Practice, in *HIV and AIDS in Africa: Beyond Epidemiology*, Ezekiel Kalipeni, Susan Craddock, Joseph Oppong, and Jayati Ghosh, Eds., Blackwell 27 Pp.
- 2004d Mapping the AIDS pandemic in southern Africa: A critical overview (cowritten with Ezekiel Kalipeni and Jayati Ghosh), in *HIV and AIDS in Africa: Beyond Epidemiology*, Ezekiel Kalipeni, Susan Craddock, Joseph Oppong, and Jayati Ghosh, Eds., Blackwell.
- 2001d Scales of justice: Women, equity, and HIV in East Africa, invited chapter for *Geographies of Women's Health*, I. Dyck, N. Lewis, and S. MacLafferty, Eds., Routledge.*

*Peer reviewed

Fellowships and Honors

Single Semester Leave, Fall 2014

Institute for Advanced Study Fellow, Alternative, Fall 2014

Institute for Advanced Study Collaborative Award for Critical Science Studies Collective, Fall 2013 – Fall 2014

Institute for Advanced Study Faculty Seminar Award, “Pharmaceutical Geographies, Pharmaceutical Economies”, Awarded 2010, Seminar held Spring 2012

Sabbatical Supplement Award, Academic Year 2010-2011

Institute for Advanced Study Fellow, Spring 2006

Humanities Institute Fellowship, academic year 2002-2003

Grants and Contracts

National Science Foundation, Program in Science and Technology Studies, Social Studies of Science, *Compound Solutions*, \$200,433, 2010-2015

Office of International Programs, University of Minnesota, “The History and Ecology of Disease,” \$23,182. 2007-2009

Consortium on Law and Values in Health, Environment and the Life Sciences, Faculty Grant, \$9,918, 2006-2007

Consortium on Law and Values in Health, Environment and the Life Sciences, Faculty Collaborative Grant, \$9,990, 2006-2007

MacArthur Foundation, Interdisciplinary Center for the Study of Social Change, Faculty Research Collaborative Grant, \$17,000, 2006-2007

McKnight Summer Fellowship, University of Minnesota, \$5,000. Summer 2002

Faculty Summer Research Fellowship, University of Minnesota, \$5,000. Summer 2002

Consortium on Law and Values in Health, Environment and the Life Sciences, Faculty Fellowship, \$10,000, Academic year 2002-2003

McKnight Scholarly Events Grant, “Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century,” \$10,000 (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), Fall 2002

College of Liberal Arts Scholarly Events Fund, University of Minnesota, “Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century,” \$5,000 (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), Fall 2002

Institute for Global Studies International Studies Title VI Grant, “Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century,” \$5,000 (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), Fall 2002

Consortium on Law and Values in Health, Environment, and the Life Sciences, faculty conference grant, "Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century," \$10,000.

Humanities Institute Grant, "Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century," (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), \$20,000, Fall 2002

National Science Foundation grant (co-PIs Ezekiel Kalipeni, Ibulaimu Kakoma, Joseph Oppong, Jayoti Ghosh), AIDS/HIV in Africa: Reviewing the Past, Understanding the Present, Charting the Future, \$30,000, 1999 (private)

International Programs and Studies grant, University of Illinois at Urbana-Champaign, (co-PIs Ezekiel Kalipeni, Ibulaimu Kakoma, Joseph Oppong, Jayoti Ghosh), \$7,000, 1999 (institutional)

Critical Research Initiative Planning Grant, University of Illinois, \$10,000 (institutional), (co-PIs Ezekiel Kalipeni, Joseph Oppong, Jayoti Ghosh), 1999

Provost's Author Support Fund, \$1,260, 1998

Udall Fellowship, Udall Center for the Study of Public Policy, \$5,000 for teaching buy-out, \$22,000 salary stipend, Fall 1997

Foreign travel grant, International Programs, \$500, 1997

Rockefeller Foundation/American Association of Colleges and Universities Grant for the project Women and Scientific Literacy: building two-way streets, \$24,000, 1996-1999 (Co-PI with Banu Subramaniam, Leslie Tolbert, Marta Civil, and Mary Poulton)

Women's Studies Advisory Council Faculty Research Grant, \$1500, 1996

Foreign Travel Grant, International Programs, \$500, 1996

Social Science Research Council Dissertation Research Fellowship on Poverty and the Urban Underclass in the United States, \$10,000, 1992-1993 (Private)

Additional funding for Fall 2002 conference:

Department of Anthropology, Conference grant, "Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century," \$10,000 (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), Fall 2002

Academic Health Center, grant for "Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century," (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), \$20,000, Fall 2002.

University Provost, grant for "Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century," (co-organized with Karen-Sue Taussig, Anthropology, and Jean Langford, Anthropology), \$20,000, Fall 2002

Scholarly Presentations

Keynote Addresses

Compound Solutions: Unmaking and making history in tuberculosis vaccine and drug production, MOMS (Minnesota-Ontario-Manitoba-Saskatchewan) 3rd Bi-Annual History of Medicine Conference, Winnipeg, Canada, September 21, 2012.

Public-Private Partnerships and drug production: hype or hybrid capitalism? Presentation as the International Scholar in Residence, ESRC Advanced Research Training Course in Human Geography, Kindrogan, Scotland, 28 August - September 1 2009.

AIDS and the Politics of Genocide, for the International Population Geography Conference, St. Andrews University, Scotland, August 2004

Gendered vulnerabilities to HIV/AIDS in southern Africa. Women's History Month, University of Wisconsin-Whitewater, March 2001

Invited Colloquia or Workshop Presentations:

Technology's traces: what comes with and after therapeutic collaborations? Counter Vitalities, Yale University, New Haven, Connecticut. 8-9 May 2014.

Circuits of development, testing, and exchange in new tuberculosis therapies, GatesKeeping: Global Health and the Gates Foundation, University of California, San Francisco, San Francisco, California, 18 April 2014.

The contingent ethics of tuberculosis vaccine trials, Center for the Philosophy of Science Colloquium, University of Minnesota, 28 March 2014.

Discussant for paper session, 20th Century Medical and Scientific Activism, Social Sciences History Association Meetings, Chicago, November 22, 2013

Discussant, *Paleofantasies*, Marlene Zuk. Minnesota Center for the Philosophy of Science, University of Minnesota, 25 January 2013.

Discussant, Global Health and STS Conference, Maastricht, The Netherlands, 12-13 November 2013.

Trials and Tribulations: TB Vaccine Trials in South Africa, Department of Gender, Women, and Sexuality Studies Colloquium, December 7 2012.

Profiting from noncommercial clinical trials. Invited speaker, Interventions in Whose Interest? African Health Issues from Multi-disciplinary Perspectives. 55th Annual African Studies Association Meeting's Health in Africa Workshop, Philadelphia, 28 November 2012

The Ethics of TB vaccine trials, Center for Bioethics Colloquium, University of Minnesota, 9 November 2012.

Private-public partnerships, global health, and 'neglected diseases': the case of tuberculosis drug and vaccine production, The Government of Techno-Science, Technological Productions, and the Environment at Global Level: Experts, Actors, Tools, and Institutions, La Londe les Maures, France, 28 August - 1 September 2011.

Where do we go from here? Comments on future historical and social science research, After 1918 Conference, Rennes, France, 24-26 August, 2011.

Dynamics of drug development: focus on tuberculosis, Drugs Conference, European Science Foundation Program at the Centre de Recherches Médecine, Science, Santé et Société and Ecole des Hautes Etudes en Sciences Sociales, Paris, December 9-11, 2010.

Compound Solutions, presentation as part of the 'Régulation, norms et saviors dans les champs de la santé et de la santé mentale' seminar series, Centre de Recherches Médecine, Science, Santé et Société, Paris, November 2, 2010.

Community impact of Partnerships for Drug Development. Presentation for the workshop Community Impact of Global Movements in HIV/AIDS. London School of Economics, September 20-21, 2010.

Compound Problems: Forging new relations in Global Health. Department of Geography, University of Washington, Seattle, February 26, 2010.

Interviewing Across Boundaries. Presentation as the International Scholar in Residence, ESRC Advanced Research Training Course in Human Geography, Kindrogan, Scotland, 28 August – September 1 2009.

The boundaries of surveillance: Notes from tuberculosis and swine flu. Queen Mary College, University of London, 16 June 2009.

Invited commentator, Workshop on Health, Disease, and Environment in Africa: Histories of Current Challenges, Princeton University, October 1, 2008.

Invited commentary on Public Health as Urban Politics and Urban Geography, Plenary lecture by Professor Michael Brown for the Urban Geography Specialty Group, Association of American Geographers, Boston, March 2008. (Declined due to family circumstances).

Tuberculosis and Vital Geopolitics. In *Vital Geographies*, Cambridge University, Cambridge, England, August 27-28, 2007.

AIDS and the Politics of Violence. Reed College, Portland, Oregon February 9, 2006.

AIDS and Genocide, Feminism and Social Theory in Geography Conference, Department of Geography, University of Minnesota, September 2004.

AIDS, Gender, and the Politics of Genocide, Department of Women's Studies, University of Minnesota, October 2004.

HIV and AIDS in Africa, Biology Colloquium, University of Minnesota, November 2004.

AIDS drugs and clinical trials: Questions and implications. Presentation to the Department of the History of Science, University of Pennsylvania, Philadelphia, November 2, 2002.

Disease, poverty, and deviance in San Francisco, Departments of the History of Medicine and History of Science, University of Wisconsin, Madison, March 2002

Perverse geographies and sexual contaminations: Race, sex, and syphilis in San Francisco, co-presentation with Nayan Shah, Department of Geography, University of Arizona, November 1998

AIDS: Material Terrains and Symbolic Topographies, Department of Geography, Queens University, Kingston, Ontario, Canada, Fall 1996

Sewers and Scapegoats: The Spatial Metaphors of Smallpox in San Francisco, Women's Studies Program, University of Arizona, Spring 1996

Poverty into Pathology: A Theoretical Framework for Looking at AIDS, Department of Geography and Regional Development, University of Arizona, Fall 1995

Smallpox and Scapegoats in San Francisco: Pathologies of Representation, 1860 - 1890,
Commonwealth Center for the Study of American Culture, the College of
William and Mary, Williamsburg, Virginia, Fall 1993

The San Francisco Epidemics, 1860-1890: Perspectives of the New Medical Geography,
Department of Geography, University of Delaware, Newark, Delaware, Fall 1993

Conferences and Panels Organized:

Interventions in Global Health, organized by Tim Brown, Susan Craddock, and Alan Ingram,
International Medical Geography Symposium, Durham, England, July 11-13,
2011.

Global Health Geographies, a two-panel paper session for the Association of American
Geographers, Las Vegas, March 2009. Coorganized with Alan Ingram, UCL, and
Tim Brown, Queen Mary College, UL.

Influenza and Public Health: Histories and Dialogues for the Future, Institut Pasteur, Paris,
March 20-21 2008. Coorganized with Tamara Giles-Vernick, Institute Pasteur,
and Jennifer Gunn, University of Minnesota. Cosponsored by Centre de
Recherche Historique, Institut Pasteur, Consortium on Law and Values on
Health, Environment, and the Life Sciences, Office of International Programs,
Espace Ethique, and Assistance Publique-Hospitaux de Paris.

Life for Sale: Speaker Series coorganized with Professors Rachel Schurman (Departments of
Sociology and IGS), Jonathan Metzl (University of Michigan) and Karen-Sue
Taussig (Department of Anthropology and School of Medicine). Speakers: Linda
Hogle (University of Wisconsin, Madison), Vinh-Kim Nguyen (University of
Montreal School of Medicine), Jo Mosco (University of Chicago). Spring semester
2008.

Politics of Infectious Disease: Two-panel, one day session featuring scholars, policy analysts,
public health professionals, and physicians. Institute for Advanced Study,
February 21, 2006.

Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century,
University of Minnesota, Minneapolis, October 16-18, 2002. Co-organized with
Karen-Sue Taussig, Anthropology; and Jean Langford, Anthropology.

AIDS in Africa: Reviewing the past, understanding the present, charting the future, Champaign-
Urbana, July 1999. Co-organized with Ezekiel Kalipeni, University of Illinois;
Joseph Oppong, University of North Texas; and Jayati Ghosh, University of
Wisconsin-Whitewater.

Nationbuilding: Gender, Race, and Medical Discourse. Association of American Geographers,
Boston, 1998.

Conference Presentations:

Technology's traces: new ethical questions in tuberculosis vaccine and drug trials. Presented at the
International Bioethics and Global Health conference, Ethox Center, Oxford University,
28-29 September 2015.

Breaking the cycle? Circuits of development, testing, and exchange in new tuberculosis therapies. Session on Structural Competency, 4S/ESOCITE Conference, Buenos Aires, 22 August 2014.

The science of inequality: contours and limits of capacity building in South African tuberculosis clinical trials. Making Scientific Capacity in Africa, Cambridge University, Cambridge, England, 13-14 June 2014.

Breaking the cycle? Circuits of development, testing, and exchange in new tuberculosis therapies, 5th International Pharmaceutical Life Cycle Conference, Ziebergen, The Netherlands, 2-4 September 2013.

Securing malaria. Panel on One World, One Health: The Geographies of Making Life Secure, RGS-IBG Conference, Edinburgh, Scotland, 3-5 July, 2012.

Productive parameters: vaccine challenges and regulatory impacts, International Medical Geography Symposium, Special session on Critical Interventions in Global Health, organized by Tim Brown, Susan Craddock, and Alan Ingram, Durham, England, July 11-13, 2011.

Global Variations: Comparisons of flu across geographic and institutional spaces, 1918-1919. International Conference on the History of Medicine and Global Connections, Wellcome Institute for the History of Medicine, University College, London, June 2009. Copresented with Jennifer Gunn, University of Minnesota.

TB Alliances: Networked Geographies in Global Health. Geographies of Global Health panel, Association of American Geographers, Las Vegas, March 2009.

Research Ecologies, HIV, and Invisible Bodies. Presented at the Association of American Geographers, Boston, March 2008. (Invited)

Undermining a coordinated public –private response to influenza in colonial Zimbabwe and the upper Midwestern United States: lessons from 1918-1919, workshop on Influenza and Public Health, Paris, March 2008.

Tuberculosis Among Somali Communities in the Twin Cities. Presented at the Society for the Social Studies of Science conference, Montreal, October 11-13, 2007.

Antiretrovirals and the body politics of inequality. Presented at the Association of American Geographers conference, San Francisco, April 17-21, 2007.

Critical perspectives on gender, globalization, and health. Panel discussion at the Association of American Geographers conference, San Francisco, April 17-21, 2007.

Private Cures for a Public Epidemic: AIDS Walks and ARVs. Presented with Alex Urquhart, Medicine and the Body Politic Conference, University of Brighton, September 19-21, 2006.

Commentator, Bodies Politic: Toxic Exposures and Global Public Health in a Transnational Framework, American Studies Association Conference, Oakland, October 12-14, 2006.

Historical insights. Anticipated Microbial Horrors, AAA Executive Committee, American Anthropological Association conference, New Orleans, November 19-24, 2002.

AIDS drugs and clinical trials. *Medicine/Culture/Power: Medical Anthropology at the Beginning of the 21st Century*, University of Minnesota, Minneapolis, October 16-18, 2002.

AIDS drugs and clinical trials: Global medicine and its implications, Environment, Health, and Place in a Global Perspective, University of Wisconsin-Madison, Department of the History of Medicine, School of Medicine, Madison, April 4-6 2002

Are we taking space too seriously? Thoughts on an anthropogeography of AIDS, Association of American Geographers national conference, Pittsburgh, March 2000

AIDS in Africa: Old Paradigms, Current Patterns, Future Possibilities. AIDS in Africa: Reviewing the past, understanding the present, charting the future, Champaign-Urbana, July 1999.

AIDS, race, and gender, AAC&U conference on Justice and Social Responsibility, Albuquerque, October 1999

Introductory Remarks, AIDS in Africa: Reviewing the past, understanding the present, charting the future, Champaign-Urbana, July 1999

Plagues and the place of citizenship, presented in paper session on Disease, Geography, and Empire, Association of American Geographers, Honolulu, March 1999

Gender and HIV/AIDS in East Africa, panel on AIDS in Africa, Association of American Geographers, Honolulu, March 1999

Body and Place: Pathologizing Chinese and Chinatown in San Francisco, Institute of British Geographers/Royal Geography Society conference, Guilford, England, January 1998

A Panoply of Plagues: Tuberculosis, Migration, and Moralism in California, paper presented at the IBG/RGS conference, Guilford, England, January 1998

Engendered/Endangered: Women, Disease and Nationbuilding, AAGs, Boston, March 1998

AIDS in East Africa: Patterns and Prevention Strategies, Applied Geography conference, Louisville, October 1998

Living the 'Hi-Life': Tubercular women, medical discourse, and the sanatorium experience in San Francisco, Incorporating the Antibody: Women, History, and Medical Discourse, Department of English, University of Western Ontario, London, Canada, October 1996

A view through the room: Women at the Arequipa Sanatorium, 1911-1940, Annual Meeting of the Association of American Geographers, Chicago, April 1995

Salubrious places, diseased Spaces: Tuberculosis and smallpox in San Francisco, 1860 - 1890, Annual Meeting of the Association of American Geographers, San Francisco, March 1994

Symposia:

Workshop on Citizen Engagement in Health Emergency Planning, University of Pittsburgh, Baltimore, Maryland, July 19th, 2006. Invited.

Looking at AIDS Through an Expanded Lenscape, Seventh International Medical Geography Symposium, Portsmouth, England, July 1996

Gender and the Politics of Health Care, Ford Foundation-Sponsored symposium on Women, Health, and the U.S.-Mexico Border, Fall 1995

Seminars:

Gender, Health, and Natural Resources, International Consortium on Health and Development, Kingston, Jamaica, November 2000 (paper sent in absentia)

HIV in the Undergraduate Curriculum: Spring seminar, Rockefeller-AAC&U -funded seminar series, Marina Del Mar, February 2000
